Students Of Torrance High To Start Drive

Competition for the Torrance High paper drive will soon be under way. Each grade is competing to pile up more paper than any other grade. Everyone wants to share in the final reward, which is an afternoon picnic.

Paper and magazines will be brought to the school between 7:30 and 10:30 a.m. on May 28. Those who live too far away to walk will take their papers to the convenient stations. Tartar Knights will weigh the paper and tag it according to weight and grade. The winning grade will be determined by the number of pounds brought in.

The Junior Scholarship Society is in charge of poster advertisement; the school bulletin notices will be written by the Senior Scholarship members. The Tartar Ladies have volunteered to clean up after the papers have all been collected. Money received from selling the paper will be put in student body funds for athletic equipment.

Sub-stations will be 204th st. and Western ave., East Road and New Hampshire ave., Carson st. and Abalone ave., Acacia ave. and Torrance blvd., and at the Torrance ball park.
